

We Work to make a
DIFFERENCE

The Company

Centroid Engineers India Pvt Ltd. is a part of an industrial conglomerate with over five decades of proven track record in the engineering industry. Our rich experience in Manufacturing, Marketing and Service management enable us to provide our with customers thoroughly researched, tested and customised solutions that meet their specific requirements. Our specialist engineers and technologists are actively involved in the development of user-friendly, reliable and industry-specific products and procedures.

WELSPED - Centroid Welding Speciality & Educational Division can help you to find solutions to all your Welding & Welder related issues. These include: Weld Design, Welding Metallurgy and Weldability, Fabrication and installation, Automation and Integration, Distortion Control, Quality Control, Repair, Codes and standards interpretation and Weld Skill training.

We Offer Services In

- Welding Consultancy
- Weld Drawings
- Weld Engineering Activities
- Welding Automation
- Welding Fixtures
- Guidance on Welding Techniques
- Welder Qualifications
- Establishing Welding Procedure Specification (WPS)
- Assistance in creation of Procedure Qualification Records (PQR)
- Qualify and Certify Welders up to 6G
- Career Guidance for Engineers

We Cater To

- Automobile
- Aerospace
- Defence
- Railways
- Oil & Gas
- Boiler & Pressure Vessels
- Power Plants & Wind Mills
- Manufacturing
- Construction
- Marine & Off Shore
- Iron & Steel
- Pharmaceuticals

Dr. S. Suresh

WELDING SPECIALIST & SENIOR CONSULTANT

- PhD in Metal Joining
- Industry Experience of 40+ years
- National Award Winner - from Dr.A.P.J. Abdul Kalam (Former President of India)
- Certified International Welding Engineer
- Former Head of Welding Research Institute (WRI) / BHEL
- Former Head of Centre of Excellence in Welding at PSG College of Technology, Coimbatore.

Dr. K. Asokkumar

WELDING SPECIALIST & CONSULTANT

- PhD in Welding Metallurgy
- Professional Experience of 40+ years
- Industry Consultancy Experience of 25+ years
- Certified International Welding Engineer
- Former Head of Welding Technology Center (WTC) / BHEL
- Former AGM Welding Research Institute (WRI) / BHEL
- Former Deputy Head of Centre of Excellence in Welding at PSG College of Technology, Coimbatore
- Teaching and Training Experience: Over 25+ Years

M.S. Subramanian

WELDING SPECIALIST & CONSULTANT

- Over 5 Decades of Experience in the field of Welding
- Fully conversant with all Cutting and Welding processes.
- Specialisation in GMAW/GTAW Process
- Specialist in Orbital TIG Welding
- Commissioned over 100 Orbital TIG Welding Systems for different applications.

Our team includes

Qualified Welding Inspectors, Engineers, Welding / Fabrication Instructor & Skilled Welders to provide our services in various industries such as Automobile, Oil & Gas, Marine, Offshore, Construction, Boiler & Pressure Vessels, Generator Sets, Wind Mills, Pharmaceutical etc.
